TAEKI[®]?

Impact Protection Series

High Mechanical & Heat Extreme 360° Protection

Composition

- 100% TAEKI5[®] fiber
- Innovative TPV Back protection
- Ultra Grip HCT[®] coating
- Palm, ¾ or fully dipped
- Seamless construction
- Velcro closure for enhanced fit
- Custom color available
- Multiple sizes

Properties

- High Impact protection
- High Abrasion resistance
- High Cut & Tear resistance
- High Puncture resistance
- Heat & Cold resistance
- Enhanced dexterity and flexibility
- High grip power
- UV resistance. Keep full properties and color in contact with light
- Washable

Did You **KNOW**?

EUROPEAN TECHNOLOGY

TAEKI5® is a high performance composite fiber engineered from core material produced in Europe and developed exclusively with Hand, Arm and Body protection in mind.

EN388

EN407

EN511

WHAT PROTECTION?

Taeki5® brings you for your hand, arm and body the following high protection level:

- High Abrasion Resistance
- High Cut Resistance
- High Heat Resistance
- Lint Free
- No change of properties to light and UV exposition
- Keep full properties to numerous washing and drying cycle
- Comfort and fitting
- Available in a variety of color, coating and designs
- But also chemical, cold, impact, puncture and anti vibration resistance...

WHICH APPLICATION?

We have developed a variety of styles to meet all industries needs and the toughest environment:

- Military and police force
- Law enforcement
- Crowd management
- Sharp Steel
- Glass handling
- Mining and construction work
- Aeronautic
- Automotive
- General maintenance
- Clean room application
- Food processing
- Electronic
- All industries requiring the highest quality and lower cost of ownership

WHICH STANDARD?

All our Taeki5® products meet the toughest quality, safety and environmental standards in the World:

- EN388 cut level 5
- ANSI/ASTM Cut level 4 to 5
- EN388/ ANSI/ ASTM
- Mechanical resistance standard
- EN407/ ANSI Heat resistance standard
- EN511 Cold resistance standard
- ANSI S3.40/ EN ISO 10819
- Antivibration standard
- AS2001.5.4-2005 and
- ISO6330:2000 washing standard
- ISO 9001-2000 and 14001
- REACH EC 1907/2006
- FDA
